

HOME VIDEO JUNK - ANIMALS

ZULO is standing in front of the large television they watch the clips on. kukjavel enters, running kujavel

KUKJAVEL

Zulo! Help! I was looking in some caves, and I disturbed a monster.

ZULO

Why are you always looking in caves? That is where monsters live.

KUKJAVEL

I was hungry. I thought there might be something to eat.

ZULO

In a cave? What like, cave sausages? There is no such thing as cave sausages!

KUKJAVEL

Shut up, and help me fight the monster!

ZULO

I wouldn't worry about it. I have been researching the Animals in this galaxy. They are not scary.

Animals clip starts

ZULO (CONT'D)

Just listen to the music. It is not scary at all.

KUKJAVEL

Ah! They're pushing things around. That rabbit really loves his ball.

In response to the monkey eating his own shit

ZULO

I tried that once. It was delicious.

KUKJAVEL

You're right, Zulo. This isn't scary...

Kukjavel screams in response to the deer attacking the child

KUKJAVEL (CONT'D)

Oh, God! They've all gone evil! Look! Even the rabbit has started attacking the ball it loves. With its penis, of all things!

ZULO

Calm down, you idiot. It is just the way these animals say "I love you". All of these ridiculous creatures are just saying "I love you" to each other. Because they are stupid, and have not outlawed love, like we have on our home planet.

Pause

KUKJAVEL

Are they in love?

ZULO

Yes.

KUKJAVEL

Are they in love?

ZULO

Definitely, yes.

KUKJAVEL

Are they in love?

ZULO

THEY'RE ALL IN LOVE, KUKJAVEL

In response to the monkey miming sex with a cat

KUKJAVEL

Even that monkey?

ZULO

Especially the monkey.

Pause while the woman dances with the dog, then, as the dog dragging itself along the floor appears.

KUKJAVEL

Why is that Dog doing that?

ZULO

I think the monkey probably told him he loved him too.

The clip reel ends. a shadow is cast over the two from the cave monster.

MONSTER

(off and fade in)  
Snarling and growling.

KUKJAVEL

I feel much better now, Zulo.

(MORE)

KUKJAVEL (CONT'D)

Love is the answer. I'll just go and  
tell that monster that I love him.

Kukjavel disappears towards the monster.

MONSTER

(off and fade out)

The growling turns into a yelp.

The shadow runs off. kukjavel returns.

ZULO

And that's why we outlawed love on  
our planet.
