

EXT. OPEN LANDSCAPE -- NIGHT

In a clear starry night, a spaceship approaches Earth at full speed and vanishes in a flash of lightning. The spaceship lands in a quiet mountainous area and shakes after touching ground.

INT. SPACESHIP -- DAY

The interior of the spaceship is dark, and there is a purple light illuminating it. In the center of the ship there is a screen and we can observe the control panel. Opposite the control panel there are two empty armchairs. A door opens and two strange creatures with a gummy look come in. MUKO is green and has a cynical look. ZUKO, the other creature is yellow and doesn't look very self confident. The aliens walk speedily one after the other and sit down in the armchairs. Muko goes first.

INT. SPACESHIP -- DAY

Muko turns on the screen and in it we can see videos on animals.

MUKO

Watch...ZUKO...Watch...!!! Ah!
They're pushing things around. That
rabbit really loves his ball.

In response to the monkey eating his own shit

ZULO

I tried that once. It was delicious.

MUKO

You're right, Zulo. This isn't
scary...
(Screams)

In response to the deer attacking the child

MUKO (CONT'D)

Oh, God! They've all gone evil!
Look! Even the rabbit has started
attacking the ball it loves. With
its penis, of all things!

ZULO

Calm down, you idiot. It is just
the way these animals say "I love
you". All of these ridiculous
creatures are just saying "I love
you" to each other. Because they
are stupid, and have not outlawed
love, like we have on our home planet.

MUKO
Are they in love?

ZULO
Yes.

MUKO
Are they in love?

ZULO
Definitely, yes.

MUKO
Are they in love?

ZULO
(Examination)
They are all in love, MUKO

In response to the monkey miming sex with a cat

MUKO
Even that monkey?

ZULO
Especially the monkey.

While the woman dances with the dog, then, as the dog dragging itself along the floor appears.

MUKO
Why is that Dog doing that?

ZULO
I think the monkey probably told him
he loved him too.

INT. SPACESHIP -- DAY

The clip reel ends. While both of the creatures look excited, MUKO shows no inhibitions whereas ZULO does. MUKO timidly presses a button

INT. SPACESHIP -- DAY

As if it were a vision, from the interior of the screen appears a goddess of their same species identical to MUKO but with huge breasts and a very sexy look. MUKO and ZULO marvel at such a beautiful sight. MUKO immediately takes her to another room in the spaceship.

INT. SPACESHIP -- DAY

ZULO can't believe his eyes at what has just happened and tries doing the same thing as MUKO: He presses a button hoping his goddess will appear too. His eyes swell and bursts into tears sobbing desperately.

ZULO
(off sobbing)

Zulo doesn't really know which button his friend has just pressed.

He doubts for a second, presses the wrong button and out of the screen appears a horrible male creature wearing a thick moustache who throws his arms at him as if in love.

Oh shit ! ZULO
